Volunteer Needed for Input on Evergreen Play Area

MOUNTLAKE TERRACE—The city is recruiting an interested citizen to fill a vacancy on the Neighborhood Parks Improvement Subcommittee (NPIS) for Evergreen Play Area located at 22205 56th Avenue West, within the playfield complex.

The Neighborhood Parks Improvement Subcommittee gives 10 citizen volunteers the responsibility for conducting an annual inventory of the neighborhood parks and recommending improvements to the Recreation and Parks Advisory Commission (RPAC). Appointed by RPAC, NPIS representatives must live within a half mile of the park they represent and serve three-year staggered terms. The current vacant term for Evergreen Play Area runs through the end of 2011.

Members find the experience fun and rewarding by meeting other residents with similar interests, learning about the recreation and parks in the city, and helping shape the future of their neighborhood parks in Mountlake Terrace.

For an application or more information, please contact the Parks and Facilities Superintendent Ken Courtmanch at (425) 776-1811 or kcourtmanch@ci.mlt.wa.us. Visit the city's website for more details at www.cityofmlt.com, click on For Residents/Advisory Boards & Commissions.
