Plan Review Fees

Plan review fee is 65% of permit fee, except that for Expedited Reviews, the City’s actual cost for outside consultants to do the review shall be added to the basic plan review fee.

Investigation Fees

Investigation Fees are needed whenever any work for which a permit is required by this code has been commenced without first obtaining a permit. A special investigation shall be made before a permit may be issued for such work. An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then or subsequently

issued. The investigation fee shall be equal to the amount of the permit fee required, unless the Building Official determines specific circumstances warrant a reduced fee.

Other Inspections and Fees

All inspections and other services not explicitly mentioned and which are provided by City staff shall be charged at the rate of \$130 per hour, with the following minimum charge:

<u>Type of Service</u>	<u>Minimum Charge</u>
Inspection outside of normal business hours	4 hours
Re-inspection fees	2 hours
Inspections for which no fee is specifically indicated	2 hours
Additional plan review required by changes, additions or revisions to plans	2 hours
Residential fences	\$75
Commercial fences	\$320

Notes

If an outside consultant is required for plan review inspections, the cost shall be the actual cost to the City, in addition to the basic permit fees.

All fees shall be non-refundable, except as allowed by the Building Official pursuant to refunding provisions of the City's adopted building code.
